Malibu gas station  
Pumps up the nation  
A tough cross to bear  
Oops no underwear

Com' on do it  
You gotta use it  
That a girl  
Don't you blow it  
Com' on move me  
Turn me on now  
It will make make you feel so good, yeah

I took the stage to show you  
So long ago now  
My mind is hazy  
Just a little crazy

Com' on do it  
You gotta use it  
That a girl  
Don't you blow it  
Com' on move me  
Turn me on now  
Roll me over  
It will make you-  
Everybody down, everybody dark,  
Crawling on the ground

I can't move faster  
My face is plaster  
The breasts are bangin  
Abdominal master

Com' on do it  
[Repeat chorus etc]

Everybody down, everybody dark, crawling on the  
ground  
Movin in the waves, moving in the sand,  
Bumping on the ground  
Grinding in the water, grinding in the water, feel

The undertow, feel the undertow, whats yrs is  
Mine, whats yrs is mine, feel the undertow, oh  
Yeah pulling down, pull me down,  
In the undertow french kiss, french kiss now

Malibu gas station  
On face the nation  
California magik  
A tan so tragique
