You keep me coming home again  
You keep me coming home again

When you were gone, I met a friend  
She taught me how to live in the end

You keep me coming home again  
You keep me coming home again

Are her eyes brown or blue?  
How does she keep her steady cool  
My heart and soul are wrapped up in her eyes  
A little blink, yeah, I recognize  
A little blink, yeah, that's my prize  
A wild horse sitting right there by your side  
Hard to ignore, hard to disguise  
Will she ever realize?  
You keep me coming home again  
You keep me coming home again

When you were gone I was out of my mind  
I had a friend who laughed all the time  
I had a friend who cried all the time  
I had a friend who screamed all the time  
I had a friend who lied all the time
