Rowche Rumble
Rowche Rumble
It's valium
Valium
Valium
Rowche Rumble
That's rumble
Hey!
There's thousands of wives around the world
Are given out by doctors, to feed their little girls
I got us a prescription, why you got pills
So Rowche Rumble
A Rowche Rumble
A menopause wife is hard to handle
That's what guys love, told to gamble
The dope addicts especially smashed
On Rowche Rumble
Oh Rowche Rumble
Alone hey sister getcha little sister
Our government's built on expense account
Once in, never out
A step too close, force feeding
What are the people around you taking?
Rowche Rumble
Rowche Rumble
Hey! Know I've tried crazy things
Abusing my body to a great end
But I'll never never never do it again
I said I'll never never never do it again
Rowche Rumble
Oh Rowche Rumble
Hey sister let's pray
Hey sister what do you say?
Hey sister what is hell?
The kids know where they're from
Yeah... hey now sister
A lot of people across the land
Do as he scribes catch again hey!
Rowche Rumble
Rowche Rumble
And I can't get it, he's doing best
He's got an addiction like a hole in the ass

So Rowche Rumble
Rowche Rumble
Rowche Rumble
Rowche Rumble
Rowche Rumble
Rowche Rumble
It's valium
Valium
Valium
Rowche Rumble
That's rumble
[epic: steve!]
