[thurston]

Wraaaaaaoooghhaaaaa

Sst, superstore
Society, screaming skull
Lemonheads, superstore
Society, sst
I'd go there, I don't care
I'll go there, it's just to stare
Let's go there, it's just it's fair
I'll go there, pat smear

Superchunk, society
Sunset strip, screaming skull
Society, husker du
Lemonheads, sst
I'd go there, but I don't care
I'll go there, it's just to stare
Let's go there, sister's there
I'll go there, pat fear

Society, superstore
Sst, lemonheads
Sunset strip, society
Screaming skull, husker du
I'd go there, but I don't care
I'll go there, it's just to stare
Let's go there, it's just it's fair
I'll go there, pat smear
