Met a stranger on a train  
He bumped right into me  
I swear I didn't mean it  
I swear it wasn't meant to be

Must have been a dream  
From a thousand years ago  
I swear I didn't mean it  
I swear it wasn't meant to be

From the bottom of my heart  
He was lookin' all over me  
"You take me and I'll be you"  
"You kill him and I'll kill her"

I swear it wasn't meant to be  
I swear I didn't mean it  
Kiss me  
Kiss me in the shadow of

Kiss me in the shadow of a doubt  
Kiss me  
Kiss me in the shadow  
Kiss me in the shadow of a doubt

It's just a dream  
It's just a dream I had  
(No no no)  
Swear, it's just a dream  
Just a dream  
Dream I've had  
No no no no

Take me to it  
Take me to her  
Maybe  
Maybe, it's just a dream  
It's a dream  
It's just a  
Just a, no

Met a stranger on a train

Bumped right into me  
Swear I didn't mean it  
Swear it wasn't meant to be

Must've been a dream  
From a thousand years ago  
Kiss me  
Kiss me in the shadow of a doubt  
Kiss me
