Can I have some money?
I wanna go to the store
Can I have some money?
I can't tell you what it's for

Can I have some money?
You know it's you that I adore
Can I have some money?
Don't ask me what it's for

Since we've been together
You've been good to me
You only hit me
When you wanna be pleased

Can I have the car keys?
I wanna go for a ride
Can I have the car please?
I'm goin' out for a while

Can I have the car now?
I wanna drive all around
Can I have the car dear?
I'm goin' to leave this town

I won't be askin'
Your permission to leave
I won't be askin'
Not to have this baby please
And I won't be askin'
A devil for some bus fare please
And I won't be askin'
I had to see you bleed

Ssh
Visualize
That's right
Pray Baby
One two three
Shoot
Shoot
Shoot

Shoot, shoot

Can I have my lipstick?
That was such a surprise
Can I have my lipstick?
I'm goin' out for a ride

I'm not a little girl
And you sure are not my Dad
You don't even know
What you almost had
