sleepin around sleepin around
what will the neighbors say
sleepin around all over town
what will the neighbors say
ch:
what you did was wrong
what did you good is gone
nothing you do is right
always ends up in a fight

sleepin around sleepin around
what will the neighbors do
sleepin around all over town
what will the neighbors do
(ch)
sleepin around sleepin around
what will the neighbors think
sleepin around all over town
what will the neighbors think
(ch)
