Long ago  
And oh so far away  
I fell in love with you  
Before the second show

Your guitar  
It sounds so sweet and clear  
But you're not really there  
It's just the radio

Don't you remember you told me you love me baby?  
You said you'd be coming back this way again baby  
Baby baby baby baby, oh baby  
I love you, I really do

Loneliness  
Is such a sad affair  
And I can hardly wait  
To be with you again

What to say  
To make you come again  
Come back to me again  
And play your sad guitar

Don't you remember you told me you love me baby?  
You said you'd be coming back this way again baby  
Baby baby baby baby, oh baby  
I love you, I really do

Don't you remember you told me you love me baby?  
You said you'd be coming back this way again baby  
Baby baby baby baby, oh baby  
I love you, I really do
