I'm just here for dictation  
I don't wanna be a sensation  
Bein' on Sixty Minutes  
Was it worth your fifteen minutes?

Don't touch my breast  
I'm just workin' at my desk  
Don't put me to the test  
I'm just doing my best

Shoppin' at Maxfields  
Power for you to wield  
Dreams of going to the Grammys  
Till you poked me with your whammy

You spinned the disc  
Now you're moving your wrist  
I'm just from Encino  
Why are you so meano?

I'm just here for dictation  
And not your summer vacation  
You really like to shmooze  
Well now you're on the news

I'm from Sherman Oaks  
Just a wheel with spokes  
But I ain't giving you head  
In a sunset bungalow

Hhh, hhh  
Roshumba, Judith, Paulina  
Cathy, Vendella, Naomi  
Ashley, Angie, Stacey, Gail  
Ice women  
Ice women  
Ice women
