See flashing eyes
They're flashing 'cross to me
Burnin' up the sky
Sunshinin' into me
Your locus crown
A cop-killin' heartbeat
Head's lookin' down
Bowin' out to the street

I'm just walkin' around
Your city is a wonder town

Lips red to white
Lips green in blacked night
Your spirit flares
Flaring up leonine

I'm just walkin' around
Your city is a wonder town

Transmitter rhyme
Transmitter all the time
Lookin' up to the sky
I'm seein' ghosts flyin'

I'm just walkin' around
Your city is a wonder town

I think I've been there once before
Something tells me there's so much more
She's back in town to even the score
It's time to go

See flashin' eyes
They're flashin' 'cross to me
Burnin' up the sky
Sunshinin' into me
Your locus crown
A cop-killin' heartbeat
Head's lookin' down
Bowin' out to the street

I'm just walkin' around
Your city is a wonder town....
