a) The Wonder

-----

[Thurston]

See flashing eyes  
They're flashing 'cross to me  
Burnin' up the sky  
Sunshining into me  
Your locus crown  
Cop-killin' heartbeat  
Head's lookin' down  
Bowin' out, to the street

I'm just walkin' around  
Your city is a wonder town

Lips red to white  
Lips green in black night  
Your spirit flares  
Flarin' up leonine

I'm just walkin' around  
Your city is a wonder town

Transmitter rhyme  
Transmitter, all the time  
Lookin' up to the sky  
I'm seein' ghosts flyin'

I'm just walkin' around  
Your city is a wonder town

I think I've been there, once before  
Something tells me, there's so much more  
She's back in town, to even the score  
It's time to go

See flashing eyes  
They're flashing 'cross to me  
Burnin' up the sky

Sunshining into me  
Your locus crown  
Cop-killin' heartbeat  
Head's lookin' down  
Bowin' out, to the street

I'm just walkin' around  
Your city is a wonder town

b) Hyperstation

-----

Falling out of sleep, I hit the floor  
Put on some rock tee and I'm out with the door  
From Bowery to Broome to Greene, I'm a walking lizard  
Last night's dream was a talking baby lizard

All comin' from hu-man imagination  
Day dreaming days in a daydream nation

Smashed-up against a car at three A.M.  
Kids just up for basketball, beat me in my head  
There's bum trash in my hall and my place is ripped  
I've totaled another amp, I'm calling in sick

It's an anthem in a vacuum on a hyperstation  
Day dreaming days in a daydream nation

z) Eliminator Jr.

-----

Kids cruise away, pack of chickenshits  
This guy is ours, dark stains on his pants  
Enough to make a butcher out of the bone  
Take a walk in the park? Shit, yeah!

A poor boy, a rich boy  
A poor rich boy coming right through me  
Rich boy, poor boy  
Poor rich boy coming right through me
