[thurston]

See flashing eyes  
They're flashing cross to me  
Burnin up the sky  
Sunshinin to me  
Yr locus crown  
Copkillin heartbeat  
Head's lookin down  
Bowin out to the street

I'm just walking around  
Yr city is a wonder town

Lips red to white  
Lips green in blacked night  
Yr spirit flares  
Flarin up leonine

I'm just walking around  
Yr city is a wonder town

Transmitter rhyme  
Transmitter all the time  
Lookin up to the sky  
I'm seein' ghosts flyin

I'm just walkin around  
Yr city is a wonder town

I think I been there once before  
Something tells me there's so much more  
She's back in town to even the score  
Time to go

See flashing eyes  
They're flashing 'cross to me  
Burnin' up the sky  
Sunshining into me  
Your locus crown  
Cop-killin' heartbeat  
Head's lookin' down  
Bowin' out, to the street

I'm just walkin' around  
Your city is a wonder town
