VERSE: Tyler Star

ACtion action, Lights camera action
Lip gloss, hair did, shawty into fasion
Uh huh, and the boy he into rappin
This queen wa meant for the king so it happened

Yea, this is where the story starts
First they fell in love, but then they fell apart
Woah woah but this aint the end
What if I told that they started as best friends

Yea Romeo and juliet
At first they called each other newley weds
They thought that they were truley set
But it turned out at the end it was just juliet

Romeo? yea he was a heart throp
Always out, takin rides in his hot rod
Till one day he was noticed that
Juliet wasn't goin back she wasn't goin back

Verse: Tyler Star

They knew it wouldn't last and never though it would
happen
I'm sick of seein tears every night before we crashin
Uh, you know I love the way you laugh and
Giggle every time I touch ya stomach it would happen

Yea, this is where the storys getin dark
He had a big head, but even bigger heart
But that aint all how
He tryed to buy you everything up in the mall down

Yea Juliet and romeo
He always kept secrets but she would never know
Now she holdin on n never letin go
Sayin this is forever and I should let you kno

Juliet? yea she was pepsi bottle
Always dressin up like she was a pepsi model
Till one day she said to be honset
Romeo was only one that she wanted

Yea, t star, boom!
