When I look in your eyes I think of diamonds because
they shine so bright
Yaaa I can't describe how beautiful you are that is why I
put it in song
Here we go here we go you your so beautiful you and
your teeth shine as
Bright as the sun come on come on I'm gonna take you
out to eat you can
Pick whatever you like it doesn't matter to me as long
as you love me.
RAP:as long as you love me you won't be poor you won't
be broke and if
Anybody steps out of line tell them your mine
When I look in your eyes I think of diamonds because
they shin so bright do
You think we should unite I mean you love me and I
definitely love you.
