Verse1

2 A.M. in the morning
All I can think of is
who is where is she
Yeah
Why wasn't I on her
It didn't occur to me
My dream girl was her
In my sleep I wonder
Maybe if I

Chorus

Wen't hard and got her down
Our hearts be knocking
Like we hit the club
Our music rocking
I wanna get her now
Won't sleep till I get her out
Take her out my dream tonight

No more lonely nights again
Just you again
No nights again
Without you again
I wanna visualize
Gotta get my vision right
Take her out my dream tonight

PostChorus

I just need love
Love
I just need love
Love
I just need love

Verse2

8 P.M. in the evening
Still haven't heard back from ya
I tried to call ya
But you didn't answer no
Here I go with my conscience
Why you gotta be bad for me to be so under

She making me want her so bad
Now I gotta

Bridge
When she coming out there
Wanna get a little bit of
Her
Wanna see how good her love is
uh oh
But I don't know if she is real
I might be trippin'
I know just one thing that I need
I just need love
