(Verse 1)

It's so cool  
Damn good  
That's what's popping  
Popping bottles

So we do what we do  
Do you feel this tension?  
I'll give you passion

I feel like a vampire  
Kissing you on the neck  
To take you higher  
Higher

(Pre-Chorus)  
Chilling in the VIP  
We're spending all that money  
Come take a closer look  
A closer look

It's getting dirty  
Bootie, chicks around me  
Come take a closer look  
A closer look

(Chorus)  
Until the sun comes up Dj don't stop the music  
And my ladies come over just come over here  
This how we roll (oh - oh - oh)  
Roll (oh - oh - oh)  
Roll (oh - oh - oh)  
Roll (oh - oh - oh)

(Verse2)  
I want you  
You want her  
And she wants me  
So let's make it three

What happens here

Stays here  
Let's get wild  
I fall for your type

I feel like a vampire  
Standing up all night  
And hiding from the light

(Pre-Chorus)

(Chorus)

(Verse 3)

This how we roll (oh - oh - oh) (oh - oh - oh)  
Roll (oh - oh - oh)  
Roll  
This how we roll (oh - oh - oh) (oh - oh - oh)  
Roll (oh - oh - oh)  
Roll (oh - oh - oh)

2x (Chorus)
