Earth, Wind and Fire

Verse I

Hearts of Fire,

Creates love's desire,

Takes you high and higher

To a place on the throne...

Hearts of Fire,

Creates love's desire,

Takes you high and higher

To a place you belong...

Verse II

We come together on this special day,

To sing a message loud and clear.

And looking back we've touched on brighter days...

The future comes...it disappears

Chorus

You can't find, piece of mind...

When you look way down, in your heart and soul.

Don't hesitate, cause the world seems cold.

Stay young at heart, and you'll never, never be

Alone...

Verse II

That's the way,

Of the world.

A child is born,

In this world, to carry on.

A child is born,

With a heart of gold.

Way of the world,

Turns the heart to stone

Chorus

You can't find, piece of mind...

When you look way down, in your heart and soul.

Don't hesitate, cause the world seems cold.

Stay young at heart, and you'll never, never be

Alone...
