Desperado  
Why don't you come to your senses  
You've been out ridin' fences  
So long now  
You're a hard one  
I know that you got your reasons  
These things that are pleasin' you  
Can hurt you somehow  
Don't you draw the Queen of Diamonds boy  
She'll beat you if she's able  
You know the Queen of Hearts  
Is always your best bet  
It seems to me some fine things  
Have been laid upon your table  
But you only want the ones you can't get  
Desperado  
Oh you ain't getting no younger  
Your pain and your hunger  
They're drivin' you home  
And freedom oh freedom  
Well that's just some people talking  
Your prison is walking through this world all alone  
Don't your feet get cold in the wintertime  
The sky won't snow and the sun won't shine  
It's hard to tell the nighttime from the day  
You're losing all your highs and lows  
It's funny how the feeling goes away  
Desperado  
Why don't you come to your senses  
Come on down from your fences  
And open the gates  
It may be rainin'  
But there's a rainbow above you  
You'd better let somebody love you  
Let somebody love you  
Before it's too late
