You say that you're falling  
But what can I do  
You want me to help you  
But I'm falling too }

I know that we're wrong dear  
But when I'm with you  
{ I can't help you darling  
Cause I'm falling too }

You belong to another  
Whose arms have grown cold  
{ But you must keep the vows dear  
Although they've grown old }

{ You can never be free dear  
Though I love you true }  
I can't help you darling  
{ Cause I'm falling too }

{ We could never be happy  
Living in sin  
Our love's a temptation  
But we just can't win }

You ask me to help you  
But { what can I do  
I can't help you darling  
Cause I'm falling too
