There's a poster of Johnny Depp on Marlene's wall  
She wasn't really thinking at all  
Because Johnny Depp is a piece of shit  
...and I know that Rico agrees

and if they ever have sex I need videoooooos  
Lots of sloppy sex for Riiiiicooooooo

because Johnny Depp; piece of shit. Sucks goat dick  
He doesn't deserve to be on her wall  
and if Marlene and Rico ever have sex,  
I want to see it all

Even if it's just in my head  
I wanna see them in bed.
