A Song by Rory Chambers
Song Title (I Need a Girl, In My Life)

Bridge

Oh, oh, oh, yeah, yeah, I need you girl
T-Wizzy, yo this is crazy damn

So lonely

Girl I need you by my side, I don't wanna see you cry,
I wanna know if you down to ride, that's what she told
me, hold me
Without a girl in my life, it's making me go crazy
Cause I need you baby

Chorus

Girl I need you in my life
I need someone to hold me
Baby that's you told me
I need a girl in my life
(I love you) x2

1

When times get hard, girl don't leave me, I want you
next to me girl stay with me
Lay with me, I don't wanna let you go, girl I want you
forever more
Girl I need you so, pray with me, ride with me, don't go,
no, no, no, no!

Chorus

2

Girl I want you next to me that's you meant to be, you
and I were meant to be for eternity
Baby girl you are so close to me, no one can ever take
your place,
When I wake up in the morning and I see your smiling
face
I know there is a better day, girl why don't you stay

Chorus

3

Girl you are too much to lose
Baby girl you got me so confused
Girl I don't know what I would do
Without you in my life
Baby that's why I need you (girl)

Repeat chorus till fade
