(harmonica intro)

Hello little school girl  
Good mo'nin little school girl  
Can I go home with you  
Can I go home, meet-a wit you  
Now, you can tell yo' mother an' yo' father, um  
That Sonny Boy's a little school boy, too

I woke up-a this mo'nin'  
I woke up-a this mo'nin'  
Lord, n' I couldn't make me no  
Lord, I couldn't make me, no town  
Well, that I didn't have no blues, woman  
But I was all messed up, anyhow

Now, you be my baby, mm  
Come on an' be my baby, mm  
I'll buy you a diamond  
I'll buy you a diamond ring  
Well, if you don't be my little woman  
Then I won't buy you a doggone thing

I'm 'onna buy me a airplane  
I'm 'onna buy me a airplane  
I'm 'on fly all over this land  
I'm 'on fly all over this land's town  
Don't find the woman that I'm lovin'  
Then I ain't goin' to let my airplane down

(guitar and harmonica)

I don't know Harland  
I don't know Harland  
Baby, what in this world I'm 'gon do  
Baby, what in this world I'm 'gon do  
Well, that I don't wan' never hurt yo' feelin'  
Or either get mad at you.
