Now I'm a walkin' groundhog, mama and I walks
around in my den

Now I'm a walkin' groundhog, mama and I walks
around in my den

Now if I come out and see my shadow, John I believe I'll
go back in

Now I want some feedin' mama, so I can hear a high
sound

If you don't feed me baby I believe I'll go back in the
ground

Because I'm that walkin' groundhog, mama and I walks
around in my den

Now if I come out and see my shadow you say you
don't love me, I believe I'll go back in

Now I wanna hear some swingin' music, I wanna hear a
Fats Waller song

Now if I start to jitterbuggin' I'm forgettin' my hole
down in the ground

Because I'm that walkin' groundhog, man and I walks
around in my den

Now if I come out and see my shadow my woman don't
love me, I believe I'll go back in

Yes John, you know what I mean...

Oh you know I'm a-walkin' wild...

Now I need some pettin' baby, baby you know what I
mean

Now if you don't pet me baby, I believe I'll go back

down in New Orleans

Because I'm that walkin' groundhog, at night I walks
around in my den

Now if I come out and see my shadow my woman don't
love me, yeah an' I believe I'll go back in
