Now ever since Louisa, been gone  
My life don't seem the same  
Now ever since Louisa, been gone  
My life don't seem the same  
Now, you know it really breaks my heart, mm  
To hear anybody call Miss Louisa, names

Now, Miss Louisa, mistreated me  
And she drove me from her do'  
Now, that Miss Louisa, she mistreated me  
Lord, an she drove me from her do'  
Now, that will be alright with me  
Louisa, you have got to reap just what you sow, now

Now, Louisa, you know I have been  
Not the very best that I could of  
Now Louisa, you know I haven't been  
Not the very best that I could  
Now then if you don't treat me no better, mm  
Lord, I sure do wish you would

(harmonica, mandolin & guitar)

Now, but that will be, all right  
Louisa, you will come back home, some day  
Now, but that will be, all right  
Louisa, you will come back home some day  
Now, but I'm scared that when you get back  
Louisa, you ain't gonna have no place to stay.
