Well, I'm just settin' here thinkin'  
Know if I goin' on back down south, again  
Yes, I'm settin' here thinkin' babe-eee-e  
Know I'm goin' back down south, again  
Boys, an I won't call you up in Chicago  
My clothes won't even fits this north wind

Oh, just a sad word my baby said  
Well, she didn't want me no more  
Yes, it's a sad word my baby said  
Well, she didn't want me no more  
Lord, I'm goin' back down south  
Babe, where that weather fit my own clothes

'Play it one time, Boy'

'Get it on, I said'

(Instrumental & harmonica)

Well, I cried last night, baby  
Cried all night befo' oor  
Well, I cried last night, mama wee-ooo-e  
Well, I cried all night befo'-oor  
Well, I must stop my way a-livin'  
Yes man, I won't have to cry no mo'

Lordy, now another woman  
Well, would throw my cap outdo's  
'Play it a while boys'  
Yes, an now another woman  
Yeah, would throw my cap outdo'  
Well, I'm goin' back down south  
Eee-well-well, when the weather fit my clothes.
