Well, I got somethin' to tell ya, baby

You can't do

You can't love me

An some other man, too

But you don't love me that way

You don't love me that way

You don't love me that way, babe

An I don't care what you do, now

Well, I met a old lady

Wit' 'er face right full of frowns

She lovely in the front

But she's all broke down behind

She don't love me that way

You don't love me that way

You don't love me that way, babe

An I don't care what you do, now

(harmonica & instrumental)

Now, if the river was rich

An I was a divin' duck

I'd dive on the bottom

Never would come up

'Cause she don't love me that way

She don't love me that way

You don't love me that way, babe

But I don't care what you do, now

(harmonica & instrumental)

Now, the corn's gon' shine
In my backdoor someday
The winds gonna rise
An blow my blues away

'Cause she don't love me that way
You don't love me that way
You don't love me that way, baby
An I don't care what you do, now

(harmonica & instrumental)

Chile, I got somethin' baby
I wanna say to you
Ain't none a-yo' bad treatment
I want no way you do

But you don't love me that way, now
You don't love me that way
You don't love me that way, babe
An I don't care what you do, now

(harmonica & instrumental)

You made plenty money, 1922
You let these cats make a fool of you

Now, you don't love me that way
You don't love me that way
You don't love me that way, babe
An I don't care what you do, now

(harmonica & instrumental to end)
