Cold chills, now

My baby made cold chills run all over me

Cold Chills

Oh, my baby made cold chills run all over me

I get to thinkin' about her comin' back home, to me

That I get just as gla-aad as I can be

Now, an she went out the other night

And got drunk

Man, an there's one thing, that I can't stand

A cheat Sonny, came home kickin' on my do'

She said, 'Sonny Boy, I found me a brand new man'

An she made cold chills

She made cold chills run all over me

I get to thinkin' about her comin' back home, to me

An I get just as gla-aad as I can be

'Well, alright, John'

(harmonica & instrumental)

I gave her all my love but still she just

A-wouldn't be satisfied

And so now, the love that I had for you, woman

Have all, all gone away an died

'Cause you made cold chills, um-yeah

A-you made cold chills run all over me

I get to thinkin' about her comin' back home, to me

An I get just as gla-aad as I can be

Now, my babe been gone 'bout four or five months

But she said, I'll be back Monday evenin' soon

If I don't come in Monday evenin'
You can look for me or Sunday, in the afternoon'

'Cause you made cold chills
My baby made cold chills run all over me
I get to thinkin' about her comin' back home, to me
An I get just as gla-aad as I can be.
