[Singing: Seed MC]
I'm a crazy thinker, oh
Know how to paint a picture, oh
So if you catch where I'm drifting, oh
Then you're a crazy think too

Colour and light [Repeated softly in background]

Cascade landscape
Midnight gotta lock, translate
Kick back, light shift
That's how I control my spaceship

Colour and light [Repeated softly in background]

I'm a crazy thinker, oh
Know how to paint a picture, oh
So if you catch where I'm drifting, oh
Then you're a crazy think too

Colour and light [Repeated softly in background]

Snow crash, dot dash
Jigsaw got 'em all crosshatched
Cause of that I jump back
And I leave them, fall away

I'm a crazy thinker, oh
Know how to paint a picture, oh
So if you catch where I'm drifting, oh
Then you're a crazy think too

Crazy thinker
Paint a picture
Of you crazy thinkers
So paint your picture
