Ride...I used to jump my horse and ride
I had a six-gun at my side
I was so handsome women cried
And I got shot but I never died

I could play if I'd do everything he'd say
Girls seemed to just get in his way
Those days we weren't considered fun
A cowboy's work is never done

He'd fight crime all the time, he'd always win
Till his mom would break it up and call him in
He was tough, he was hard, but he was fine
And he was slow 'cause guys like him were hard to find

Ride...I'd like to ride again someday
I think I still know how to play
I play games now but it's not fun
A cowboy's work is never done
