[Chorus:]

Well it's crying time
You're gonna leave me
I can tell by the way
You hold me darling
That it won't be long
Before it's crying time

Now they say that absent
Makes the heart grow fonder
And tears is only rain
To make love grow
Well my love for you
Could never grow much stronger
If I lived to be hundred years or more

[Chorus]

Now you say you found someone
You love better
That's the way it happened
Every time before
And as sure as the sun
Comes up tomorrow
Crying time will start
When you walk out the door

[Chorus]
