Little man
When you stand by my side
Then I know I don't have
To hide from anyone

And I pray that
We'll stay just that way
Till the day comes along
When we catch the sun

Little girl, you're runnin'
Come catch my hand, I'm near you
Little girl, you're singin'
Come close to me, I hear you

You're growin' old
My mother's cold
Now it's time that you learned
What it meant to be mature

There's no such place
As make believe
But when I look at your face
I'm not so sure

Little girl, you're runnin'
Come catch my hand, I'm near you
Little girl, you're singin'
Come close to me, I hear you

You and me is what I see
And that's the way
It's gonna stay
And it will always be

So little man
Please understand
That in this world with all its land
You're all I see

Little girl, you're runnin'
Come catch my hand, I'm near you

Little girl, you're singin'
Come close to me, I hear you

Little girl, you're runnin'
Come catch my hand, I'm near you
Little girl, you're singin'
Come close to me, I hear you
