Look at us
The picture of happiness
Not so long ago
Ah, not so very long ago

The pride of all our friends
The perfect couple were we
Is this how it will end?
Just a sad, sad story

Living in a house divided
With a love that's so one sided
There's no chance at all
The walls have got to fall

Living in a house divided
With a love that's so one sided
There's no chance at all
The walls have got to fall

Tumbling down

Look at us
The king and queen of emptiness
Living inside
Our castle of loneliness

Unable to make amends
Such perfect strangers are we
Is this how it will end?
Just a sad story

Living in a house divided
With a love that's so one sided
There's no chance at all
The walls have got to fall

Living in a house divided
With a love that's so one sided
There's no chance at all
The walls have got to fall

Living in a house divided
With a love that's so one sided
There's no chance at all
The walls have got to fall
