"Where You Lead"

Wanting you the way that I do
I only want to be with you
And I would go to the ends of the earth
Cause, darling, to me
That's you're worth

[Chorus:]

Where you lead, I will follow
Anywhere that you tell me to
If you need, you need me to be with you
I will follow where you lead

If you're out on the road
Feeling lonely baby, and you're cold
All you have to do is call my name
And I'll be there on the next train

[Chorus]

I always wanted a real home
With flowers on my window sill
But if you want to live in New York City
Baby, you know damn well that I will
I never thought I could get satisfaction
From just one man
But if anyone can make me happy
Baby, you're the man that can

[Chorus]
