Holy animation

What's a human

What's a lifetime?

All the angels

praying for me

I'm only human

for a lifetime

What's a lifetime

if you love me?

For a lifetime

you said you'd love me

Mass producing

more affection

for a human

for a lifetime

Many lifetimes

for a human

Is it human to

know your lifetimes?

What's a lifetime

if you love me?

What's a lifetime

if you can't love me?

Sacred introduction

to a human

to a lifetime

Elevation

turns emotions

into humans

into lifetimes

What's a lifetime

if you love me?

For a lifetime

you said you'd love me

you said you would love me

you said you'd love me

(repeat and fade
