Tail spin ritualin
Get it down on paper
Pushers of the possessed pill
Old skin vinyl thin
Too strong to taper
Weaker than the weekend will

I break myself again
Head into heavy waters
I've given in
To my darkest dear (x2)

False face Hollywood
Slips undercover
Giving way to something real
Slow pace understood
A severed brother
Getting back a sense of feel

I break myself again
Head into heavy waters
I've given in
To my darkest dear

I break myself again
Head into heavy waters
I break myself again

All the world will be your enemy
I don't know who the fuck you are
I don't even know who the fuck I am

Never again (x30)

I break myself again
Head into heavy waters
I've given in
To my darkest dear

I break myself again
Head into heavy waters

I break myself again

I break myself again
Head into heavy waters
I've given in
To my darkest dear

I break myself again
Head into heavy waters
I break myself again
