Cycle walk away
Never believe the action
Slow dissolve
Like paper under water
Sounds collapsing
Tethered worlds collide
Wings are burning
Now come alive

Oh misery
I'd do anything for you
Don't desert me
Time is all I have to lose
Oh misery
I'd do anything for you
Don't desert me
I am on my knees for you

Swallow meaning
Eternity in code
Heady passion
Reflection overload

Oh misery
I'd do anything for you
Don't desert me
Time is all I have to lose
Oh misery
I'd do anything for you
Don't desert me
I am on my knees for you

Cycle walk away
Never believe the action
Slow dissolve
Like paper under water
Ether distraction
Focus formulated
Render awaken
A daemon in disguise
