Performed by Nikki Hassman)

Baby, look around

See that I'm nowhere to be found

You wanna feel me near

Then close your eyes and I'll appear

And dream of all of me without tears

Anything it takes to wish me here

Oh, magic and sweet lullaby

Any lucky penny will do fine

Oh, wish me here

Your arms are open wide

Waiting for me to run inside

I'll meet you in the clouds

Please you, your power to bring heaven down

And dream of me without the tears

Anything it takes to wish me hear

Oh, magic and sweet lullaby

Any lucky penny will do fine

Oh, wish me here

And when we're face to face

The world just fades away

So take me to the place

It's just you and I

Every single night

And dream of me without tears

Anything it takes to wish me here

Oh, magic and sweet lullaby

Any lucky penny will do fine

Oh, yeah, yeah, yeah

Repeat Chorus
