Performed by Adam Cohen)

Something went wrong

You are not laughing

It's not so easy now to get your smile

You gotta be stong

To walk these streets

And keep from falling

But when you're not, just let yourself cry

You've been working hard

Just trying to pay the rent

Tryin' to draw the line between who you are

and who you invent

But if you throw a stone

Something's gonna shatter somewhere

We're all so fragile

We're all so scared

You say you wanna learn how to live your life

without tears

But we've been trying to do that for thousands of years

So go on and cry Ophelia

It's the only thing to do sometimes

You know I'm crying too  
Right there with you  
It's alright Ophelia  
Everybody cries  
Thank god for my bad memory  
I've forgotten some of the stupid things  
that I've done  
I've come to a little wisdom  
through a whole lot of failure  
So I watch more carefully what rolls off my tongue  
You pray for rain  
But you don't want it from a storm  
You find a rose  
And cut your finger on a thorn  
So go on and cry Ophelia  
It's the only thing to do sometimes  
You know I'm crying too  
Right there with you  
It's alright Ophelia  
Everybody cries Ophelia
