(Bridge " spoken)

You are, of a beautiful nature,
Changeable, quite questionable,
You are capable of deep intellectual thought,
You can be the most generous and giving,
You have the tendency to thrill, no matter which road you travel,
Your lack of determination can cause you to be the least successful (you are)

(Piano Instrumental)

(Verse)

Fell Somethin' movin' all over me,
Whatever it is no man can see,
From the crown of ma' head to the soul of ma' feet,
Spirit is movin', spirit is movin', spirit is movin' all-over
me!

(Chorus)

Can't Stop Movin', Can't Can't Stop Movin', Can't Stop
Movin', I Can't Keep Still-a
Can't Stop Movin', Can't Can't Stop Movin', You don'
know do-it' harm you?
I Can't Stop Movin', Can't Can't Stop Movin', Can't Stop
Movin', I Can't Keep Still-a, Told me not to change it, if a
change could ever be
(Chorus repeated until fade out approximately 2 more
times)
