[Intro]

"..the do or die Illadelph Jedi Mind shit" - Vinnie Paz
snippit from Heavenly Design

"..Jus Allah...Jus Allah...Jus Allah...Jus Allah" - Vinnie Paz

Yo, Megatrom. Panic on the beat. Fuck. Yo, dumb ass
niggaz

[Verse 1]

Yo, I was placed on the planet just to cause problems
Sperm I spawned from, burnt holes in condoms
Heaven splits in the presence of excellence
A force to be reckoned with
Way too fuckin strong to rely on ya prayers and hopes
I walk out the jungle in bear-skinned coats
While you still scared of ghosts we cut throats
I introduce myself, the God is upmost
My brain never touched the soap
Refused to be another fuckin slave that stuffed the
boats
On puffs of smoke, fuckin phenomenal
What I think is logical, to you is physically impossible
Take a blood drop from you, copy you
Just to get your own identical to tell you I'm unstoppable
Unsurpassable obstacle unsolvable
Math written in my chronicle, astronomical
Pass me the gun for mans extinction
I piss in the fountains of youth you drink from
My stomach got young dead orphans in it
I eat from trash cans at abortion clinics

[Chorus]

I'm America's nightmare
Young, black and just don't give a fuck
I just wanna get high and live it up
A nightmare
Young, black and just don't give a fuck
I just wanna get high..
A white nightmare

Young black and just don't give a fuck
I just wanna get high and live it up
A nightmare
Young, black and just don't give a FUCK..nigga

[Verse 2]

I'm the sickest beast walkin, I breed in the dark
And speak, as the deepest thoughts of Steve Hawkins
I even thrust the fuckin dolphins
Megatrom stab martians, disturbin the peace inside
coffins
Even priests caution defyin the science
Violent niggaz, who carry the iron giants
No swine diets, the strength of Goliath
Hope ya last rhyme is good enough to die with
Against madness, performin the black magic
Savage, I steal from the offering basket
And use it as my loot to buy blunts and sacks with
I give back by sharin wit the niggaz I rap with
Elite crooks, even the police be shook
My crib got dead cops attached to meat hooks
Disectin 'em, I burn whatever left of 'em
My neighbor told me that a demon lived next to him
'Til I threatened him, "Yo cousin, we strapped"
All yall dumb niggaz just cover ya cap
I love black, I wish that I was two shades darker
We unbreakable, like Hurricane Carla

[Chorus]

I'm America's nightmare
Young, black and just don't give a fuck
I just wanna get high and live it up
A nightmare
Young, black and just don't give a fuck
I just wanna get high..
A white nightmare
Young black and just don't give a fuck
I just wanna get high and live it up
A nightmare
Young, black and just don't give a FUCK..nigga

[Outro]

Yo, Jedi Mind Tricks forever
Megatrom, what the fuckin deal
Vinnie Paz, Enemy of Mankind Stoupe
Yo, what the fuck Cyclone
BA Barap break niggaz backs
Fuck Yall. Stupid ass niggaz
