Make me forget the world, make me forget the people

Melt me my darling, and let me tell you sweet words

If I go around the world, if I go around the people

There is no Đ²Đ¾Đ⊕1¼Đ¾Đ¶Đ½Đ¾Ñ Ñ,ÑŒ to find love like yours

If I tell you that I love you
Love is just to less for you
If I take a minute away from you
I return in the need to see your eyes
Hug me, be mine
Melt me and melt in my love
Come and we?II live the nicest days

If I tell you that I love you
Love is just to less for you
If I take a minute away from you
I return in the need to see your eyes
Hug me, be mine
Melt me and melt in my love
Come and we?II live the nicest days

It was the nicest day of my life

When I met you, my life
I couldn?t take it, if I didn?t think of you for one moment,

I found myself in your love

You took me from all the people, to live the most beautiful feeling

And, my darling, make me forget the world with you

Aaaahhh?.

If I tell you that I love you
Love is just to less for you
If I take a minute away from you
I return in the need to see your eyes
Hug me, be mine
Melt me and melt in my love

Come and we?II live the nicest days

I hold you in my eyes, and the world is upon you
I am next to you and I love you
It?s not possible for me, my darling, to forget you
I hope my life will be,
To love you forever
I dream to be forever yours
Aaaahhh?.

If I tell you that I love you
Love is just to less for you
If I take a minute away from you
I return in the need to see your eyes
Hug me, be mine
Melt me and melt in my love
Come and we?II live the nicest days
