Abilene, Abilene  
Prettiest town I ever seen  
Folks down there don't treat you mean  
In Abilene, my Abilene

I sit alone most every night  
Watch them trains roll out of sight  
Wish that they were carryin' me  
To Abilene, my Abilene

Crowded city, ain't nothin' free  
Nothin' in this town for me  
Wish to God that I could be  
In Abilene, my Abilene

How I wish that train would come  
Take me back where I come from  
Take me where I want to be  
In Abilene, my Abilene

Rotgut whiskey numbs the brain  
If I stay here I'll go insane  
Think I need a change of scene  
To Abilene, my Abilene

Outside my window cold rain falls  
Sit here starin' at the walls  
If I was home, I'd be serene  
In Abilene, my Abilene
