Don't be angry with me darling if I fail to understand  
All your little whims and wishes all the time  
Just remember that I'm dumb, I guess, like any foolish  
man  
And my head stays sorta foggy 'cause you're mine

Well, I recall the first time  
That I flirted with you dear  
When I jokingly said, "Come and be my bride?"  
Now that time has turned the pages

It's the sweetest joke on earth  
That I have you here forever by my side  
Maybe someday, you're gonna hurt me  
I've been hurting of before

Only God can know and time alone will tell  
In the mean time  
I'll keep loving you with all my heart and soul  
And pray God to let it last if it's His will

So don't be angry with me darling if I fail to understand  
All your little whims and wishes all the time  
Just remember that I'm dumb, I guess, like any foolish  
man  
And my head stays sorta foggy 'cause you're mine
