Why does the sun go on shining why does the sea rush  
to shore  
Don't they know it's the end of the world cause you  
don't love me anymore  
Why do the birds go on singing why do the stars glow  
above  
Don't they know it's the end of the world it ended when  
I lost your love  
I wake up in the morning and I wonder why everything's  
the same as it was  
I can't understand no I can't understand how life goes  
on the way it does  
Why does my heart go on beating why do these eyes of  
mine cry  
Don't they know it's the end of the world it ended when  
you said goodbye  
Why does my heart go on beating and why why do  
these eyes of mine cry  
Don't they know it's the end of the world it ended when  
you said goodbye goodbye
