First date

Tonight was our first date.

We couldn't anticipate

Emotions we now feel.

First kiss

Tonight was our first kiss

And now we know the bliss

That only young love can yield.

I've got a funny feeling

I've worked hard at concealing

But I can't hide this wonderful thrill

I kept up a constant chatter

Pretending nothing matters

And I begged my heart

To please, please be still.

Oh, First love

This is our first love,

Our one and only love

Our first love and our last.

I've got a funny feeling

I've worked hard at concealing

But I can't hide this wonderful thrill

I kept up a constant chatter

Pretending nothing matters

And I begged my heart

To please, please be still.

Oh, First love

This is our first love,

Our one and only love

Our first love and our last.
