Ever since you went away it seems I age a year each  
day  
Don't know what I'm gonna do I'm gettin' gray from  
being blue  
Before too long I think you'll see just how bad you're  
hurting me  
I worry so much over you I'm gettin' gray from being  
blue

My hair is turning gray from being blue over you  
And it's cause I'm a thing you put me through being  
blue  
Oh I'll go along so lonesome you're with someone new  
I'm gettin' gray from being blue  
I'm gettin' old before my time because I love you and  
you're not mine  
You never will be I know it's true I'm gettin' gray from  
being blue  
(I'm gettin' gray from being blue)
