

## Sonny James "Last Time"

Somewhere outside the wind is wailing this time  
tomorrow I'll be sailing  
Oh my love hold me as if it was our last time  
Somewhere outside the bird is crying sounds like a  
million souls have dying  
Oh my love hold me as if it was our last time  
The trumpet sounds and I have things to do  
But when it's done and if I can I'm coming back to you  
Somewhere outside tomorrow's calling too many tears  
will soon be falling  
Oh my love hold me as if it was our last time  
[ choir ]  
Oh my love hold me as if it was our last time  
The trumpet sounds...  
Hold me as if it was our last time
