The minute you're gone I cry the minute you're gone I  
die  
Before you walk out of sight I'm like a child all alone at  
night  
I stare into emptiness I'm filled with such loneliness  
The world goes from right to wrong the minute you're  
gone  
The minute you're gone I see oh how lonely a man I'll  
be  
My life would be oh so blue if I couldn't be with you  
The minute you're gone I pray the minute you're gone I  
say  
Please don't stay away too long the minute you're gone  
(The minute you're gone I see) oh how lonely a man I'll  
be  
(My life would be oh so blue) if I couldn't be with you  
The minute you're gone I pray the minute you're gone I  
say  
Please don't stay away too long the minute you're gone  
(gone) gone
