Well, I live up on a mountain top  
In un-ended misery  
?Cause my love lives upon the other  
Mountain and she named that agony

The folks up there don't marry us  
But we know our love is true  
So every night we slip to the valley  
And love till one or two

Then I climb, climb, climb up  
Misery she climbs agony  
Goodnight love we'll meet again  
Tomorrow down by the old oak tree

Climb up here and she's up there  
And they're keepin' us worlds apart  
I'm in misery she's in agony  
And it nearly breaks my heart

The days are long every minute is longer  
Than before  
The sun goes down and the moon goes a climbin'  
And I leave my love once more

Then I climb, climb, climb up  
Misery she climbs agony  
Goodnight love we'll meet again  
Tomorrow down by the old oak tree

Now there ain't no future and hide  
And love, and I can't go on this way  
I can't live on nighttime love  
And I want her everyday

There ain't no man and there ain't no mountain  
That can ever make me stop  
I'm gonna bring her down from agony  
And overcome a mountain top

Till then I climb, climb, climb up  
Misery she climbs agony

Goodnight love we'll meet again  
Tomorrow down by the old oak tree

Till then I climb, climb, climb up  
Misery she climbs agony  
Goodnight love we'll meet again  
Tomorrow down by the old oak tree
