Shackles and chains shackles and chains
Oh that's all that remains schackles and chains
Now my home is where my heart is and that could be
anywhere
But my heart is chained to mem'ries and the thought
you couldn't care
For no reason I could tell you were afraid to fall for me
But since I have fallen already you should stop be fair
to me
Release these shackles these chains memories that
remain
Oh oh shackles and chains

Oh this chain that binds me to you is the one I'll never
break
When I say that I'll forget you my poor heart begins to
ache
For no reason I could tell...
(Oh oh) shackles and chains
